learning a second language often leads to a deeper understanding of one's native language, understanding the values of a second culture can lead to the discovery of values in one's own culture. Ideally, this dis-covery enhances communication between people from different cultures. Intercultural communication is the process whereby one's culture

BEYOND LANGUAGE - Universitas Brawijaya

However, even for native English speakers, cross-cultural communication can be an issue: just witness the mutual incomprehension that can sometimes arise between people from different English-speaking countries. In this new world, good cross-cultural communication is a must.

Effective Cross-Culture Communication - from MindTools.com

6 Significant Communication Barriers Found Across Cultures. Ignorance is viewed as the primary barrier in cross-cultural communication. In order to communicate effectively, you need to become familiar with the norms of different cultures; or, at the very least, acknowledge that those differences exist.

Beyond Language: Cross Cultural Communication / Edition 2 ...

Members of a cultural group also learn one or more languages that facilitate communication within the group. Sometimes, though, language can get in the way of successful communication. When people and organizations try to use their in-group languages, or jargon, in other contexts and with people outside the group, communication often fails and creates misunderstanding and barriers to making meaning in a situation.
