as without difficulty as
review them wherever
you are now.

It's easy to search

Wikibooks by topic,

Read Book

Computational

Science And Its

and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF

Read Book

Computational

format). It's a nice

feature that enables

you to customize your
reading material, but

it's a bit of a hassle,

and is really designed

for readers who want
printouts. The easiest

way to read Wikibooks

is simply to open them
in your web browser.
