Democracy and the New Religious Pluralism, 2007 | Online ...

Major criticism of religious democracy include criticism from the secular and the legalist points of view. From the secular point of view, religion is a hindrance to democracy as it enforces a set of legal and societal principles. Separation of religion and state is required to protect freedom and ensure equality.

Religious democracy - Wikipedia

In a book published in 2011, Rethinking Religion and World Affairs, the authors argued that democracy is more likely to emerge and survive when religious actors are included in transition...

Conference on New Religious Pluralism and Democracy April 21-22, 2005 The conference explored the changing relationship between politics and religion on both sides of the Atlantic. Participants included leading US and European scholars from the disciplines of philosophy, political science, religious studies, sociology, and theology.

Conference on New Religious Pluralism and Democracy

Christian democracy is a political ideology that emerged in 19th-century Europe under the influence of Catholic social teaching, as well as Neo-Calvinism. Christian democratic political ideology advocates for a commitment to social market principles and qualified interventionism. It was conceived as a combination of modern democratic ideas and traditional Christian values,

incorporating the social teachings espoused by the Catholic, Lutheran, Reformed, and Pentecostal traditions in various parts

Christian democracy - Wikipedia

Today the struggle for economic democracy has been left to stubborn types in the back rows of traditional parties and to a new generation of activists determined to build new organizations. I am against giving up on national-scale strategies, but also against identifying economic democracy solely with them.
