As the year winds down and classrooms finish with most of the 'have to' curriculum, it's time to do some end-of-the-year activities just for the fun of it. I like to do some art activities and we always create a memory book. Here are a few of the activities I like to do in our classroom. In this blog post are two products that have also been bundled together.

**6th grade Math End of Course Exam Review**  
The sixth grade is the sixth school year after kindergarten. Students are usually either 11 or 12, though could be younger or older, if they are promoted (skip grades) or held back for not reaching a standard. In the United States, sixth grade has been considered the last year of elementary school or the first year of middle school.
