Tier Two words for this level are approximately at a seventh-grade level. Note: There are no grade level labels (you will only see "Level 7") on these materials, which means you can use them with any grade. These word analogies are organized in 15 sets of 10 (10 analogies per set).

### Word Analogies Level 7 • Teacher Thrive

These worksheets contain reading assignments for your seventh grade students. Students will read a story or article and then be asked to answer questions about what they have just read. 7th grade students are ready for a more difficult reading passage. They are also ready to edit the grammar and or spelling within that work.

### 7th Grade Reading Comprehension Worksheets

In order to answer an analogy question correctly, the student has to form a logical relationship, or "bridge" between two words. They must think about how the words are related. Since words represent particulars (not universals), there is a nearly infinite number of ways they might be related.

### Analogies Worksheets

The Math 7 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student).
