International And Global History Since World War II

war international system with the origins, nature, and end of the Cold War at its centre. The approach is a historical one but one which hopes to offer something of value to general International Relations students interested in the development and interpretation of the post-1945 international system from a sounder empirical foundation.

International Relations Since 1945

As students of International Relations (IR) have increasingly turned to historicizing the international, historians have opened up their discipline to international, transnational and global circuits and connections. Global History, in particular, has figured in debates within the discipline of history to the extent that observers note a "boom", "trend", and "turn".

Offered by University of Virginia. This is a survey of modern history from a global perspective. Part One begins with the political and economic revolutions of the late 1700s and tracks the transformation of the world during the 1800s. Part One concludes as these bewildering changes seem to be running beyond the capacity of older institutions to handle them.

The Modern World, Part One: Global History from 1760 to ...

The Global and International History series seeks to highlight and explore the convergences between the new International History and the new World History. Its editors are interested in approaches that mix traditional units of analysis such as civilizations, nations and states with other concepts such as transnationalism, diasporas and international institutions.

International Relations since 1945: A Global History ...

International relations and history are inextricably linked, and with good reason. This link is centuries old: Thucydides' History of the Peloponnesian War, one of the very earliest and one of the very greatest historical works of all time, is widely regarded as the founding textbook of international relations. Still, those two disciplines are legitimately separate.
