Step 1, Make sure you have the TV's original remote. While some non-LG, third-party or universal remotes can be used to access your LG TV's service menu, you'll have the greatest chance of success if you use the remote that came with your TV. Step 2, Select a TV channel. Using the INPUT button on your remote to select the TV as the input source, then select any TV channel. You may not be able to access the service menu if you don't do this. Step 3, Hold both your remote's MENU button and the ...
