### Life, Animated - Wikipedia

Storyline. Owen Suskind was a boy of considerable promise, until he developed autism at the age of 3. As Owen withdrew into his silent state, his parents almost lost hope that he find some way to interact with his world in some meaningful way. However, that way was found through animated films, especially those of the Walt Disney Company, which provided Owen a way to understand the world through its stories to the point of creating his own.
