Oleanna David Mamet

Oleanna is a 1992 two-character play by David Mamet, about the power struggle between a university professor and one of his female students, who accuses him of sexual harassment and, by doing so, spoils his chances of being accorded tenure. The play's title, taken from a folk song, refers to a 19th-century escapist vision of utopia. Mamet adapted his play into a 1994 film of the same name.

David Mamet, whose conservative views and disdain for political correctness are intrinsic to his work's point of view, argues through *Oleanna* that the rise of political correctness in American society has emboldened feminists to take vindictive action against powerful men for no reason other than to delight in their suffering. This argument, though controversial and decisively flawed, is at the heart of the twisted power dynamics between John and his student Carol.
