Update: Volume 3 revision is now available, and Volume 4 revision should be released in May of 2021. We have begun work on a revision of volume 3, which should be available in Spring 2020. After that, we'll revise Volume 4. When we revise Volume 4, we'll most likely add some material to bring the book into the 21st century.

The volume explores the work of photographs as tools of self and collective expression while rejecting any claim to a definitive, singular telling of photography's history. Reflecting the rich interdisciplinarity of contemporary photography studies, The Cultural Work of Photography in Canada is essential reading for anyone interested in Canadian visual culture.
