Erie Community College :: Sports and Leisure Studies

Foundations of Leisure Studies Course. This course analyzes the concepts of leisure, recreation, and play, with an focus on the role leisure plays in contemporary society.

Leisure Studies Courses and Classes Overview

The leisure activities that people who work in leisure studies deal with include a very broad range of activities. Most of the activities can be separated into 3 sub-categories: sport and recreation, tourism, and leisure. Sport and recreation activities is one of the broadest categories in leisure studies. This includes sports, both traditional and non-traditional, and any indoor or outdoor physical activities done for recreational purposes.

Leisure studies - Wikipedia

Peter Taylor (emeritus, Sheffield Hallam University) wanted to claim a leisure studies first in quoting Arnold Schwarzenegger in his own right rather than in a film role: 'The aggregate impact of these health and social benefits makes parks and recreation one of the most cost-effective public services available to decision-makers'.

Sport and the Arts: wellbeing, social capital and cultural ...

The most frequent leisure time physical activity performed by men (96.1%) and women (95.2%) was walking. A negative association was observed in men between leisure time physical activity and increased work hours, older age, more cigarette smoking and higher body mass index (69.8% were overweight and 75.3% were obese; $P < 0.05$).
