Leading authority on the Islamic world and influential advisor to the Obama administration Vali Nasr shows that the West's best hope of winning the battle against Islamic extremists is to foster the growth of a vibrant new Muslim middle class. This flourishing of Muslim bourgeoisie is reshaping the mind-set, politics, and even the religious values of Muslims in much the same way the Western bourgeoisie led the capitalist and democratic revolution in Europe.

The rise of Islamic capitalism. If you are a proud Muslim, there are chances that you might find the title above a bit disturbing. Because for many people in the world – especially in my part of the world – the word “capitalism” means nothing other than greed, exploitation or injustice. However, if capitalism merely means an economic system of private property, free enterprise

Proto-capitalist economies and free markets were active during the Islamic Golden Age and Muslim Agricultural Revolution, where an early market economy and form of merchant capitalism took root between the 8th–12th centuries. A vigorous monetary economy was based on a widely-circulated currency and the integration of monetary areas that were previously independent. Business techniques and forms of business organisation employed during this time included contracts, bills of exchange, long ...

Literature. There is a lot of modern literature on the rise of the Arab state and Islam. Maxime Rodison's Mahomet (1961) and Patricia Crone's revisionist Hagarism (1977) approach the subject matter from completely different angles. A balanced book that avoids the extremes is Muhammad and the Believers (2010) by Chicago scholar Fred Donner. The unification process among the Arabs prior to the ...

The terms of this debate are quite misleading. We live in an age, to adapt Barber's nomenclature, of "McJihad." It is an age in which the mechanisms of what we call capitalism appear to operate, in certain critical instances, only by adopting the social force and moral authority of conservative Islamic movements.
