The Zombie Apocalypse

Zombie apocalypse is a genre of fiction in which civilization collapses due to swarms of zombies overwhelming social, law-enforcement, and military structures. Typically, only a few individuals or small bands of survivors are left of the living. In some stories, victims of zombies may become zombies themselves if they are bitten by zombies or if a zombie-creating virus infects them; in others, everyone who dies, whatever the cause, becomes one of the undead.

Zombie apocalypse - Wikipedia

Being stripped of one's creativity, adds Murali Balaji, assistant professor of media studies at Temple University and editor of forthcoming anthology "The Thinking Dead: What the Zombie Apocalypse ...

Zombie Safari in Forney is a way to experience the Halloween season differently this year.

Survive The Zombie Apocalypse At This North Texas ...

Subtle the film is not, but no zombie film ever warranted that adjective. Zombie entertainment induces maximum fear of a relentless Other, detached, after White Zombie, from its Haitian context, so that the undead horde can stand in for any kind of invasion. The genre’s history may go some way toward explaining why the U.S. government has an official zombie preparedness plan, called CONOP 8888.
